

# I am

I am a dog lover

I wonder if I will get a dog

I hear dogs barking

I see dogs

I am a dog lover

I pretend to have a dog

I feel mad that I don't have a dog

I touch the dogs ear

I worry it might bite me

I cry about not getting a dog

I am a dog lover

I understand that I don't have a dog

I dream of getting a dog

I try to get a dog

I hope to get a dog

I am a dog lover
