

“Change My Mind”

First Draft 1/14 – 1/15/19

I don't know the rules  
But you're just another fool  
For me  
For me  
Me  
And I don't wanna play games  
But you're all just the same  
Same for me

And maybe you're just good at giving lies  
Maybe if you take me by surprise  
Change my mind  
Change my mind  
My mind

Cold tile, takin' off our shoes  
Can you hear the sirens come for you?  
For you  
They're coming for you  
You  
Catch you on my Instagram  
Can't crack my code or who I am  
To you  
What can you do?

And maybe you're just good at giving lies  
Maybe if you take me by surprise  
Change my mind  
Change my mind  
My mind

Just because I don't know the rules  
It doesn't mean I'm into you  
I'm just sayin'  
I'm just playin' yeah  
I go solo/so low on the floor  
You can't handle me no more

And maybe you're just good at giving lies  
Maybe if you take me by surprise...  
And maybe you're just good at giving lies

Maybe if you take me by surprise

By surprise

By surprise

You'll change my mind

My mind
